

BOARD OF ELECTIONS 1450

1450 - COUNTY SHARE

MISSION STATEMENT

The mission of the Board of Elections is to register voters, conduct elections and to ensure their integrity.

WHO WE SERVE

The voters of Albany County.

ABOUT OUR DEPARTMENT

The Board of Elections has responsibilities in three main areas:

- Administration of Elections:** The Board is responsible for the proper management of primary and general elections, as well as some school boards, fire districts, villages and special elections throughout Albany County.
- Voter Registration:** The Board promotes voter registration within the county. Registrations are reviewed to ensure that voters' addresses reflect actual residency. This also includes database management for over 184,491 current registrants.
- Education and Certification:** The Board conducts annual seminars and examinations relating to election procedures and technology for approximately 1268 election inspectors in Albany County, as required by law. Information is also provided to candidates, political units, public entities and the general public.

The Board's operations are supervised by two Commissioners, each representing one of the two major political parties in New York State. The Commissioners are nominated by majority vote of the County Committees of their respective political parties and are confirmed by the County Legislature. The New York State Election Law requires equal representation of the two major political parties in the appointment of Board employees.

2017 ACCOMPLISHMENTS AND CHALLENGES

Another successful year transitioning to an in-house ballot production operation, creating further savings for Albany County taxpayers. To enhance the voting experience, we also held several voter registration drives around the county and gave workshops to civic and community organizations on using voting machines.
