Statement of legislative findings and intent.

The Albany County Legislature hereby embraces the creation of the Albany County Commission on Reapportionment, (the Commission) which will facilitate a non-partisan, independent, inclusive and participatory redistricting process for the County’s legislative redistricting following the next federal census in 2020, and thereafter. Pursuant to law, the County’s legislative districts must be adjusted in accordance with the relative population growth and shifts as indicated in the census to ensure that fair representation for each resident is maintained.

The legislative redistricting process shall be conducted by this independent Commission, which shall be adequately funded to carry out its responsibilities and to hire independent, expert professional staff. Further, the Legislature wishes to tap into the expertise of the newly established Albany County Legislature Black Caucus (adopted as Resolution 125 by unanimous vote of the Albany County Legislature) to facilitate the creation of the Majority Minority District (MMD) Reapportionment Subcommittee, with the purpose of assisting the Commission in providing a laser focus to ensure the fair representation of Albany County minority communities in all aspects of the reapportionment process. It is the intent of the Legislature that the Commission and the MMD Reapportionment Subcommittee shall work collaboratively, in tandem, with a high level of communication and interaction between the two bodies.

The Commission’s members shall not include elected officials or party officers, family members, legislative staff, or candidates for elective office. The Commission shall be transparent, accountable and function independently, without the undue and improper influence of sitting elected officials and their representatives. The Commission’s work shall be accomplished through a professional process that invites experts in the areas of redistricting, law, county geography and other important elements that are key to securing a credible, responsive, and accountable redistricting process and outcome.

The MMD Subcommittee will be created as a vital component of the Commission’s work and efforts and shall make recommendations to the Commission regarding the configuration of minority districts, with the goal of protecting voting rights of minority residents and ensuring adequate electoral representation of minority residents residing in MMDs.
